

Application for FAL Fieldwork Support 2021: Study of XXX with the YYY people in ZZZ country

Firstname Lastname

July 20, 2021

The question of XXX is interesting and has not been investigated but there is such and such related study (citation). The topic can be addressed be with a field study with the YYY people in ZZZ country because such and such. The field study will use such and such methodology (citation).

I already have contact with members of the YYY community who consent to the study / I plan to establish contact and gain consent with the YYY community in such and such manner. Local government permission will be sought like this / does not apply. The work will be carried out in accordance with guidelines for ethical conduct (citation).

I plan to go for a duration of so and so many weeks / months during such and such part of the year 202X. I plan to travel alone / in the company of such and such anthropologist / linguist / colleague / friend / collaborator. Pending local and other contingencies I plan to spend with this many days in the district capital and then to such and such village.

Budget:

Cost Estimate (SEK)	Purpose
8000	Flights Uppsala-ZZZ via big city and big city
600	Visa fees
600	Permit fees
100x50	Hourly compensation for collaborators
6x500	Accommodation capital city
30x100	Local accommodation at village(s) such and such
1000	Expendables (notebooks, batteries etc)
2x600	Local travel from capital city to village
22400	Total

Cost estimates are based on such and such experience / knowledge of the region / this and that website / guesstimate given that blah blah
